MEMORANDUM FOR: Assistant for Plans and Development, NPIC

ATTENTION:

SUBJECT: Modification of Light Table

1. It is requested that a light-weight 9 X 18 light table be modified according to the rough sketch provided Mr.  on 6 December 1965. Should this modification prove to be worthwhile additional pieces of equipment will be required in the PAG to replace the present GFL 918 Light Tables. Essentially, the modifications desired will provide more stability and ease of operation for the 9 X 18 light-weight, light table from the standpoint of operations in the Photographic Analysis Group.

2. Your cooperation in this matter would be appreciated.
